Claims per tier program

Each service tier program you can make 3 claims per year

1. Wellness Services = 3 claims per year

2. Emergency & Diagnostic services = 3 claims per year

3. Minor & Major medical services = 3 claims per year

*If you do not make any claims listed above throughout the calendar year, the claims will carry over to the next year to increase your claims. If you do not use all of your claims and have a few left over, they will transfer over to the next year. If you do not exhaust your claims on each service, the claims left over can be carried over to the next year calendar year.

*If you go over your claims made per year, please contact us to make special arrangements on any additional needed claims per service to have extended.
